Dear Mr. Habashy,

We want to thank you for investing your time and expertise in us at the "Overload" seminar held at the SIM office.

Your presentation was very interesting and relevant, for even though you are not a pastor, you made every effort to relate the material to the real life challenges that we face. Your examples and illustrations used to apply these principles of self-management were helpful.

Thank you, brother, for your passion to share your wisdom with pastors and the church-at-large.

May the Lord bless you for the contribution you have made to sharpen us in our commitment to do what is important. And thank you for the books you have so graciously given us.

Thank you again for a good day!

Warmly, In Christ
